FOR IMMEDIATE RELEASE

Change of date and venue for the next Downtown Visioning meeting

Shelton WA – Downtown Vision Plan

The Shelton Downtown Vision Plan walking audit and public workshop held on April 11 was a huge success. In part to better accommodate the substantial public interest in this project, the meeting scheduled for May 7th is being rescheduled for June 13th, starting at 8:30 a.m., at the Shelton Civic Center, located at 525 W. Cota Street. This meeting will include facilitated group and table discussions to develop the vision and goals of the Plan, including design strategies, implementation tools, and funding opportunities. Please RSVP to Steve Goins, City of Shelton Community & Economic Development Director at sgoins@ci.shelton.wa.us or (360) 432-5136, or Heidi McCutcheon, Executive Director of the Shelton-Mason County Chamber of Commerce at heidi@sheltonchamber.org or (360) 426-2021.

The City intends to incorporate the goals and policies from this Plan into the City’s Comprehensive Plan, which is being updated. Staff will be providing an overview of the Comprehensive Plan update and wishes to hear from the community regarding expectations and concerns during an Open House on Thursday, May 28th, from 5:30 to 7:00 p.m., at the Shelton Civic Center. The general public, including representatives from the local Tribes, state and regional agencies, are invited to attend.

For further information of either of these events, the City of Shelton contact is Steve Goins, phone 432-5136 or email sgoins@ci.shelton.wa.us.
