### **Permit Expiration**

Every permit issued by the building official under the provisions of this code shall expire by limitation and become null and void if the building or work authorized by such permit is not commenced within 180 days from the date of such permit, or if the building or work authorized by such permit is suspended or abandoned at any time the work authorized by such permit is suspended or abandoned at any time the work is commenced for a period of 180 days. Before such work can be recommenced, a new permit shall be first obtained to do so, and the fee therefor shall be one half the amount required for a new permit for such work, provided no changes have been made or will be made in the original plans and specifications for such work, and provided further that such suspension or abandonment has not exceeded one year. In order to renew action on a permit after expiration, the permit-tee shall pay a new full permit fee.

Any permittee holding an unexpired permit may apply for an extension of the time within which the work may commence under that permit when the permittee is unable to commence work within the time required by this section for good and satisfactory reasons. The building official may extend the time for action by the permittee showing that circumstances beyond the control of the permittee have prevented action from being taken. No permit shall be extended more than once.

**Exhibit E is adopted by reference in attachment A of resolution #967-1208**

## **Exhibit F**

### **Refund**

#### **2003-IBC Section 108.6 / 2003-IRC Section 108.5**

The building official may authorize refunding on not more than 80 percent of the permit fee paid when no work has been done under a permit issued in accordance with this code. The building official may authorize refunding of not more than 80 percent of the plan review fee paid when an applicant for a permit for which a plan review fee has not been paid is withdrawn or canceled before any plan reviewing is done. The building official shall not authorize refunding of any fee paid except on written application filed by the original permittee no later than 180 days after the date of fee paid.
