Using the pick up calendar is easy:

Garbage is picked up on YELLOW weeks
Recycling is picked up on WHITE weeks

Don't Forget! Make sure all garbage, recycling, and yard waste carts are out by 6:00 a.m. on your pick up day to ensure pick up.

Holiday Questions? Holiday schedule changes for trash and recycling pick up will be noted in you previous month's utility bill. If you're still unsure call Jason at 432-5102, or Jill and Lanita at 426-4491, to inquire about your holiday pick up date.

RECYCLE YOUR YARD TRIMMINGS!

Curbside Yard Waste collection is now available! The City of Shelton is now offering optional yard waste pick up to City residents. Yard Waste carts are picked up every WHITE Wednesday on the 2010 pick calendar (see opposite page).

Sign up and have your 95-gallon yard waste container delivered today! Call the City of Shelton Front Desk at 426-4491 to set it up!

Save Money! The more things you recycle, the less you throw away. Why pay for all that extra space in your garbage can when you're such an effective recycler? You can request a **larger recycle container set (65-gallon)**, and/or also get a smaller garbage can. Downsizing your garbage can will reduce your monthly garbage bill! Call Jill and Lanita at 426-4491 for more information or to make the switch.

What can I recycle? (More questions? Call Jason at: 360-432-5102)
